Resident & Fellow Section

Fellowship Timeline

by Ioannis Karakis, MD, PhD, MSc
 Resident & Fellow Education Committee

The following is an approximate timeline for CNP Program Directors and CNP fellows about their academic and administrative responsibilities throughout the academic year. It is not designed to be a strict guideline, but an adjunctive reminder, adjusted to individual and institutional needs.

Program Directors Academic Year Timeline:

July	Orientation
August	GME/ACGME Annual Program Update
September	Reviewing fellowship applications and extending invitations
October	
November	
December	CCC meeting ACNS in-service registration
January	Milestones ACGME faculty survey Semiannual fellow review Fellowship interviews
February	ACNS meeting ACNS in-service exam AAMC GME Track Survey Fellowship interviews
March	PEC meeting
April	Rotation and lecture schedules preparation
May	CCC meeting
June	Graduation Milestones End of year fellow review

Fellows Academic Year Timeline:

July	Orientation
August	AAN Neurology Boards preparation and examination
September	
October	ACNS meeting abstract submission/registration and scholarship application
November	Job interviews
December	
January	ACGME fellow Survey Case log and duty hours completion Semiannual review with PD
February	ACNS meeting ACNS in-service exam
March	PEC meeting
April	CNP Boards registration and preparation
May	
June	Graduation Case log and duty hours completion End of year review with PD
